

Message from SLBVA

Yesterday the Sydney Sri Lankan community in Sydney once again contributed to a very successful food fair in aid of the development and maintenance of Lankarama Vihara for our community and in particular for the future Generation.

Food stalls provided quality Sri Lankan cuisine for many people who attended the food fair through-out the day and contributed to raise gross income of around \$22,000. It was encouraging to the participation of the younger generation in many of the food stalls.

On behalf of The Sri Lankan Buddhist Vihara Association (SLBVA), with great pleasure and respect, we thank you for your generous support provided to the SLBVA to complete this task with a great success. In the name of Buddha-Sasana, the SLBVA is looking forward to your co-operation and contribution for future Lankarama endeavors.
